CARE International in Uganda
Job Description

Job Title: Consortium Manager-
Project Name: ECHO-HIP
Program: Humanitarian Program
Location: Kyenjojo
Grade : G
Supervisor: Program Manager Emergency
Date Employed: January 2020

Brief Project Background:

CARE International has been active in Uganda since 1969 and working in the country continuously since 1979, implementing a diverse portfolio of programs and projects ranging from emergency services to economic development and civil society building. Our current programming targets Women, Girls and youth as well as vulnerable groups such as the extreme poor, internally displaced people, children to provide assistance and opportunities for empowerment and sustainable development through addressing the underlying causes of poverty grounded on careful and thorough analysis of power relations between different groups in society and the local context in which they live and work. Our programming is guided by our core values of transformation, Integrity, Diversity, Equality and excellence.

Overall summary of position

The Consortium Manager will be responsible for managing a protection / GBV consortium of three international NGOs led by CARE and also including local implementing partners, targeting South Sudanese and Congolese refugees in Uganda. S/he will facilitate an integrated participatory approach in project management, supervision, coordination, planning, and implementation among Consortium members and partners, across the various locations of operation with a focus on cross-learning, 360 degrees' accountability, and monitoring integration aspects. S/he will oversee all project management, administration, procurement, financial and human resource management according to CARE and donor rules and regulations. S/he will ensure effective implementation of project's visibility and communication plan. S/he will communicate regularly with CARE Denmark, the CARE Member Partner (CMP) holding the donor contract about progress and challenges. S/he will also help facilitate the integration of the project with CARE's longer-term and humanitarian programming. The CM will act as CARE's and the Consortium primary representative for the project in local, national, and international level fora. S/he will facilitate smooth coordination between the Consortium members and local implementing partners and other agencies from Government as well as the UN and other INGOs, active in the delivery of Protection and GBV interventions to avoid duplication, leverage comparative strengths, and contribute to joint advocacy. The employee shall fully comply with safety and security procedures of CARE and

should be accountable for it. S/he will model CARE's core values and particularly CARE's commitment to Gender Equity and Diversity and ensure CARE's Safeguarding policies are upheld by all Consortium Members and stakeholders engaging with the Project.
